(formally US Script)

# Envolve Pharmacy Services

As a member of this Program, you have access to certain smoking cessation medications available to you at NO COST. **Envolve Pharmacy Solutions** commitment is to provide better health outcomes at lower costs. They believe that the traditional pharmacy benefit delivery model must evolve into a modern, strategic partnership dedicated to providing unsurpassed quality programs and services.

## Filling Your Prescriptions

Present your ID Card (attached to the welcome letter) to fill prescriptions for covered products at our participating pharmacies, There are NO COSTS associated for products covered under this program. For a complete list of participating pharmacies, visit https://pharmacy-locator.envolverx.com/ or call (800) 460-8988.

There are mandatory generic substitutions on certain medications and limits to the availability of the approved smoking cessation medications listed below. All medications require a valid prescription from your physician in order to have it filled. Please see the chart below for a complete list of the eligible medications covered under the Program.

**Mandatory Generic Substitution Program** – Mandatory Generic Substitution means that a brand medication will not be covered if a generic equivalent is available.
